

### zenith ASY T8/T5

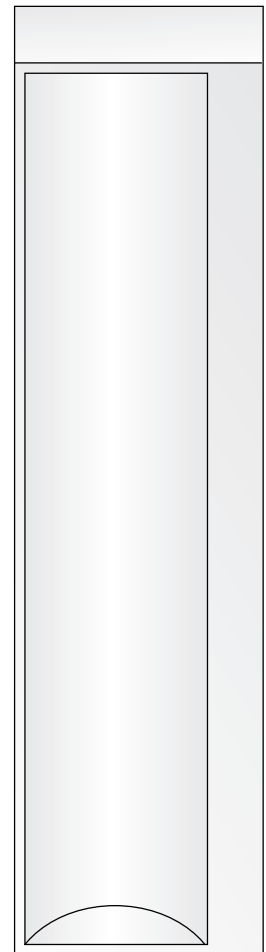

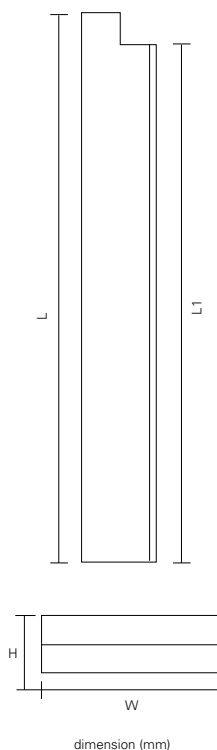

The ZENITH 'ASY' series is designed with high efficiency and specific lighting characteristics, particularly simple and practical design and also, fulfil the most demanding requirement of aesthetic integration with the environment. Advanced solutions for the realization of modern lighting fitting in compliance with the relevant regulations. It provides an evenly high illuminance and quality appearance, top lighting performance as well as the visual comfort.

#### APPLICATION

Ideal for lighting of vertical plane such as white board, conference room, meeting room, school, etc., where high illuminance with almost no glare is required.

#### TECHNICAL DATA

- Body : Made of heavy gauge sheet steel, extruded aluminium.
- Louver : Anodized aluminium in either specular, semi specular or matt finish.
- Paintwork : Fully coated with a high gloss white epoxy powder, giving resilient finish.
- Lamp source : T8 / T5.
- Electrical data : 220V~240V 50/60 Hz.
- Wire : Heat resistant 105°C.
- Condenser : Metallized polypropylene film (T8).
- Starter : Series circuit (4-22W) and single circuit (4-65W) (T8).
- Lamp and starter holder : Mould from polycarbonate material.
- Dimensions: various-according to lamp configurations.
- Optional Components
  - High frequency electronic ballast
  - Emergency power pack
  - 2A fuse socket connector
  - Radio interference suppressor

Model No.	No. of lamp	L(mm)	L1(mm)	W(mm)	H(mm)
